

Greetings All,

Trusting all are well, safe, and attending to health & wellness!

Couple updates from today:

1. LAUSD Supt. Beutner shared that we will continue distance learning through May 1. Pls continue to be in contact with your teacher/classmates/fellow families as we work to navigate this together. Schoolwork should be taking place DAILY as we are not out of school, just attending to school off campus grounds. Establish a schedule. Assign breaks. Set expectations for learning. Hold your child accountable for daily/weekly goals.

2. POPCORN! Amid Stay At Home orders, Popcornopolis questions remain. Popcorn is to be sorted and organized this week with drive through pickup to take place **next Monday, 3/30, 10-2, on our campus parking lot.**

3. Via this platform as well as via school texts, I'll keep you informed as news and updates come my way. Please keep your eye on the news as well as lausd.net for updates.

Take good care & be well =)
