Governing School Council Orientation Meeting

Greeting Baldwin Hills Elementary Pilot (BHEP) Families:

Welcome to the new school year! We look forward to having a productive and exciting school year as we enter our sixth year as an LAUSD Pilot School. Because we operate as a Pilot School, our school is governed by a Governing School Council (commonly referred to as the "GSC"). Please be involved and come join us for our annual GSC orientation and information meeting.

What: GSC Orientation
When: September 3, 2020
Time: 4:30 p.m.
Where: **Mtg ID: 221 094 6227**

The GSC serves as the governing body of the School, ensuring that the mission and vision of the school is carried out. Parent participation, leadership, collaboration, and involvement in the GSC is integral to carrying out the mission of our school community.

School Mission Opening

The mission of the School, a culturally and linguistically diverse community, is to work in partnership with the children, families and community we serve in order to provide a strong academic, ethical, and culturally responsive education with measurable results.

Some of the important functions of the GSC include:

- Maintains the mission of the School
- Oversees and monitors school curriculum
- Annually evaluates our school Principal
- Oversees and approves school budget
- Holds monthly public meeting for entire school and community-at-large to discuss school matters
- Annually approves and oversees school budget
- Monitors student development and achievement
- Conducts annual school review for ongoing improvement and success
- Fosters collaboration between Principal, teachers, staff, parents, community, and mostly importantly, our kids!
- Oversees all school matters as a pilot school
