

"Go Back and Get it..."

# Camp Sankofa Presents

## Coding and Robotics Saturday School

We are running a small robotics Saturday school at Baldwin Hills Elementary School from 10am - 12pm. Children 8-10 years old will build a robot and code it to reach specific goals. It will run 11/9, 11/16, 11/23 and 12/7. \$80 for all 4 Saturdays. We can only accommodate 12 students, and spaces are filling up. If you or someone you know is interested, go to [www.campsankofa.com](http://www.campsankofa.com), and click 'join us'. Next click the button labeled "4-week coding robotics session", complete the online form and submit payment to hold your spot.

Visit [www.campsankofa.com](http://www.campsankofa.com) for more information about the organization. You can also contact us at 'arian@campsankofa.com' or call (323) 207-0696  
Courses are taught at Baldwin Hills Elementary School
