

Greetings!

It's Week 26 here at Baldwin Hills! We are transitioning from trimester two to trimester three unit studies, using culturally responsive texts for community/state/nation units along with science units addressing physical science. See more of what your child has been learning during Parent Teacher Conferences this week, where we will have 1:25 dismissal on M, W, Th, and F, paired with BANKED Day 2:00 dismissal on T.

Beyond Conferences taking place this week, it's Annual Pilot Review time where we ask for feedback from our school community on how we are doing as a Pilot School, to help ensure we are in alignment with and stay true to what's in our Pilot School plan. To that end, we need your voice! Please go to: <https://tinyurl.com/BHEPFamilySurvey2020>, complete the survey & then sign off on having done so, at your child's conference this week.

AND if you have not yet signed up for the LAUSD Parent Portal, it's the week to do so! Access your child's attendance data, magnet application info, District news, and even more, their assessment data, which is timely as we enter standardized testing season. Register now or with Ms. Murdock in the Parent Center at → <https://parentportalapp.lausd.net/parentaccess/>

- Ticket sales for our US-Celebration, our spring performance/fundraiser, begin this Wednesday, 3/11, with shows on 3/31 and 4/1. Ticket prices are \$20 and can be given to Ms. Murdock, our Booster Club President in the Parent Center. Donations can also be made online through <https://www.gofundme.com/f/BaldwinHillsSteamPrograms>. Proceeds support our STEAM enrichment offerings: chess, engineering, robotics, music/dance with PS Arts & more!
- Looking ahead: Next week we will have our monthly council meetings on Thursday, March 19 with SSC @ 3:30, followed by GSC @ 4:30. Mark your calendars!

Remember to visit our school's website for continued updates and resources: <http://www.baldwinhillselementaryschool.com/>

And to receive school text alerts, text BHEPUPDATES to 41411!

Let's make this a wonderful week!

Peace,

Letitia Johnson-Davis, EdD

Principal, Baldwin Hills Elementary Pilot & Gifted High Ability Magnet
