

Greetings!

It's Week 31 here at Baldwin Hills! Trimester three unit studies with state/nation units using culturally responsive texts continue along with physical science explorations, in grades 1-5 and earth science for TK/K. STEAM Enrichment to resume following Spring Break.

Now for this week's announcements:

1. Our spring performance, Us-Celebration, takes place THIS week! This is beyond a performance but a major fundraiser to pay for our 2019-2020 STEAM Enrichment offerings like music, dance, engineering, robotics, and more. We must raise \$125,000 to fund our STEAM programs so your support is crucial. Invite family and friends to the show and spread the word with the following link so those who cannot attend can still donate:

Appreciate your efforts in making this fundraiser a success while we showcase our scholars and their amazing gifts 😊
