

Greetings families! It's Week 33 here at Baldwin Hills! We are past the midpoint of trimester three with state/nation units using culturally responsive texts and physical science explorations. STEAM Enrichment with critical thinking through chess, yoga, & engineering will continue at their same time slots so help ensure your child is there!

Now for this week's announcements:

- a. It's Staff Appreciation Week here at Baldwin Hills! Show some extra love to your teacher and all of our support staff! We've got goodies for our staff lined up...we'd love for your contribution to go towards this week of gratitude! You can donate at the bottom of our website's home page, cash app @ thefriendsofbhsp, or Paypal/Zelle @ The Friends of Baldwin Hills School.
- b. Please be mindful of our new daily schedule, with morning sessions times as follows TK-1: 8-11, grades 2-3: 8:15-11:15, and grades 4-5: 8:30-11:30. Our instructional day continues after lunch so ensure your scholar logs back on with her/his teacher and engages in STEAM enrichment thereafter.
- c. For our return to campus/hybrid families, remember DAILY screening, temperature check, and evidence of current negative COVID test are required. Mobile screening will continue this week. For those that mobile screening missed last week, you can still access/receive Daily Pass and will be tested this week. Please complete the contact information link to ensure we have the most up to date information: <https://forms.gle/uMmy17MYEBSnhWvk8> AND pick up time for scholars is either in the 11am hour as aforementioned or the 3-4pm hour. Early pick ups interrupt the instructional flow and are strongly discouraged.
