

*Greetings!*

Welcome to Week 12! We have just t1o weeks left until the end of the opening trimester with our standards-driven, culturally responsive text rich, thematic unit on Self. STEAM enrichment with yoga, engineering, and critical thinking through chess instruction continues! Ask your children about what they are learning!

*Now for this week's announcements:*

1. This week we will have asynchronous afternoons for our scholars so that teachers can collaborate and plan for the close of trimester 1 and launch of trimester 2. For families, that means after lunch, scholars will be working independent of the teacher on assignments the teacher has prepared; the schedule for asynchronous afternoons is as follows: Wednesday 11/4: K/1, Thursday, 11/5: Grades 2-4 and Friday, 11/6: Grades 5 and SPED. Appreciate your support in advance, as we transition trimesters and prepare for our scholars accordingly.
