

Greetings!

Welcome to Week 14 here at Baldwin Hills! We are transitioning from trimester one unit studies to those for trimester two; stay tuned for community/state/nation units using culturally responsive texts and earth science explorations. STEAM Enrichment with critical thinking through chess instruction, yoga, and engineering continue this week!

Now for this week's announcements:

1. This is our week to complete the School Experience Survey! We are looking to hear from you! We have a 100/100 Challenge across our campus, where the first classrooms to reach 100% completion will receive \$100 to be used for classroom materials! Help that be your child's class; complete the Survey! The link for the survey is <https://tinyurl.com/LAUSDSESFamilies2021> It's also on our website and you'll need to sign off for having done so at your child's conference.
2. E-CHOICES: Any/all families looking for magnet school options for the 2020-2021 school year, the deadline for doing so is THIS FRIDAY, 11/20. Visit echoices.lausd.net for more!
3. LAUSD will be mailing out a Return to Campus Guide to families, which will outline both the safety practices that will be employed along with an instructional scope for a hybrid school model. After Fall Break, we will have a BHEP family meeting to discuss what return to campus may look like, so stay tuned. ***Please know that none of this will occur until state and county health officials deem it safe to execute a hybrid model.***
4. LAUSD has opened up COVID testing to all families at various testing sites across the district. Whenever we are safely able to return to campus, all scholars will need to have been tested, and with cases surging by the day, you're encouraged to take advantage of this space to get tested now! Families will need their child's student ID number to schedule an appointment; this can be obtained by accessing the Parent Portal at <https://parentportalapp.lausd.net/parentaccess/>, contacting Ms. Murdock via email → baldwinhillselementary@gmail.com or by calling the LAUSD hotline at 213-443-1300.
