

Greetings!

It's Week 27 here at Baldwin Hills! Trimester three unit studies with state/nation units using culturally responsive texts are launching along with physical science explorations, in grades 1-5 and earth science for TK/K. STEAM Enrichment resumes this week, where our scholars engage in critical thinking through chess instruction, yoga, and engineering.

Now for this week's announcements:

1. Appreciate your participation during Report Card Conference Week. At the Conference, you should have received a personalized letter with your child's LAUSD ID that will enable you to sign up for Passport, LAUSD's 24/7 Access Parent Portal. Please visit [passport.lausd.net](https://passport.lausd.net) to sign up today! LAUSD goal is 100%; we can do this!
2. Undoubtedly you've heard about the co-located charter's application for 2 additional classroom spaces to grow with their students. Please complete/return the survey distributed on Friday and make plans to come to our monthly GSC meeting this Thursday, at 4:00 in the auditorium, to learn more about how you can get involved.
