

Greetings!

It's Week 35 here at Baldwin Hills! Trimester three unit studies with state/nation units using culturally responsive texts continue with physical science explorations, in grades 1-5 and earth science for TK/K. STEAM Enrichment continues this week with robotics, engineering, chess, and yoga—two weeks of enrichment remaining for the 2018-2019 school year!

This week we will have our STEAM/PBL Showcase Open House Night! The evening opens with our upper grade scholars performing instrumental music in the auditorium at 5pm. Immediately thereafter, classrooms will be open from 5:30-6:30 where you can see what our scholars have been engaging in as well as get a peek into the next grade level's classrooms. Make plans to join us on Tuesday, May 14; don't miss it!

Our calendar updates for the week are as follows:

- This week SBAC standardized assessments continue in grades 3-5
- Tuesday, 5/14: 2:30 DISMISSAL & Open House starting @ 5
- Thursday, 5/16: 4th and 5th grade family video view of maturation/health ed film will take place in the library at 8:30am
- Looking ahead: Volunteer Appreciation Honoring will take place next Thursday, 5/23

Remember to visit our school's website for continued updates and resources:
