Baldwin Hills Elementary School

Re: 2018-2019 Pilot School Quality Review Recommendations

Dear Principal Davis:

We are pleased to inform you that the Superintendent has approved the following recommendation for Baldwin Hills Elementary School:

5-year approval: School continues to be monitored by the Local District (LD) Director, conducts annual self-review, and the LD Director submits a yearly progress report to the Pilot School Steering Committee (PSSC).

In addition, the LD Director and/or the school may request any of the following:

- **Site visit within the 5-year period, if deemed necessary, with participation of other District personnel as requested by the LD Director and/or the school**
- **Support from the PSSC and/or the Local Options Oversight Committee (LOOC)**
- **Site visit to showcase the innovative use of autonomy(ies)**

The staff at Baldwin Hills Elementary School has worked hard to create culturally responsive learning experiences and a seamless STEAM integration. It is also evident that the school is primed to be a Linked Learning School with students showing what they know and are able to do. Continue doing the annual Pilot School Self-review and we look forward to seeing more accomplishments from your students. If you have any questions, please contact Elaine Kinoshita at elaine.kinoshita@lausd.net.

Sincerely,

George Bartleson
Executive Director, Office of School Design Options
