AGENDA :

Parent Orientation:

The School Site Council is the decision-making body responsible for the SPSA by ensuring its development, annual review, and updates that outline the academic programs, support services, and federal funds used to improve the academic performance of all students at risk of failing.

Teacher elections: Teachers will elect School Site Council Members and alternates.

Staff elections: School staff members of the SSC are elected by other school staff members. The school should ensure that all staff who work directly with students, whether or not they are classroom teachers, are invited to participate in the election process.

SSC parent elections: Parents will have the opportunity to self-nominate for a position on the SSC and ELAC prior to the election to promote equitable access. To promote transparency, parents attending the election meeting will be voting by announcing their full name, their child's name, and the candidate(s) for whom they would like to vote. x Election results will be announced at a later time, after parents are verified in MiSiS, to ensure that parents were duly elected by parents at the school.

Budget Vote: Transfer funds from Teacher X NonTutor to cover negative balance.
